

Mrs. Diane El Khoury

2nd December 2009

Dear Diane,

I am writing to express my appreciation for the recent donations, totaling \$725, that you have made this year towards Kids Alive International's work in Lebanon. Your help is much appreciated!

Kids Alive International has been working in Lebanon since 1948, and currently cares for more than 100 children in three programs:

- The Dar El Awlad Boys' Home, where needy children live together in family units with their own Christian house parents and "brothers and sisters". Through this Home, children experience – often for the first time – what it means to have their physical needs met while experiencing the love and warmth of a family.
- Dar El Awlad School, which provides a quality elementary education to more than 70 children, some from our Home and others from needy families in the local community.
- The Moses Basket Care Center, which provides daily care to 12 pre-school children from very poor backgrounds.

Thank you again for all that you are doing to help us meet the needs of these very special children!

Yours sincerely,

Matthew Parker
